

2016 Celebrating

Arts & Culture in Carlsbad

City of Carlsbad

Dear Neighbor,

On behalf of the City of Carlsbad, it is my pleasure to welcome you to another year of TGIF Concerts in the Parks.

Our 31st season promises to be one of the best yet. We are pleased to welcome 10 outstanding bands, each with its own distinctive sound, at our four largest community parks: Stagecoach, Alga Norte, Poinsettia and Calavera Hills. Every concert has a unique vibe, from country to spicy Latin, promising a concert experience for every music lover in your family.

If you've been to TGIF, you know the music is only part of the experience. Enjoying a night out with friends and neighbors over dinner has never been easier, with new local onsite food vendors offering everything from barbeque to ice cream. Family Open Studios is also back with free, handson art making activities for all ages. To top it off, free shuttle service from nearby sites and rideshare options makes parking easier than ever.

TGIF would not be possible without our longstanding community partnerships. The people and organizations who join with the City of Carlsbad to make these concerts possible deserve our deepest thanks. The Carlsbad Friends of the Arts, a major sponsor of these concerts, make an immeasurable contribution to the arts in Carlsbad and help create the thriving, creative community our residents cherish. A big thanks to PCH Litho for printing this souvenir program. And of course, our gratitude goes to all the businesses and individuals who provide support to TGIF by advertising in this program.

Special recognition is due to staff from many city departments, including the Parks & Recreation Department, the Public Works Department, as well as the Police Department and its young volunteers in Explorer Post 781 and Senior Volunteer Patrol. They ensure the concerts are safe, clean and fun for all.

Finally, a special thank you to the City Council for its continuing commitment to the arts in Carlsbad, making TGIF Concerts in the Parks possible. In addition, the City Council recently approved park enhancements at Aviara and Pine Avenue Community Parks which include public artwork. Through their support of arts in the community, we can continue to provide free, exceptional cultural programs in Carlsbad.

I look forward to seeing you at the parks this summer as we come together to celebrate music, family and our Carlsbad community!

museum of MAKING MUSIC

Music.

It's the soundtrack of our lives, and it's also part of a much larger story...the story of how an industry—the music products industry—supplies the world with the instruments, products and gear that we all use to make music.

And it's a story we think you'll enjoy! In our exhibition galleries you'll see outstanding examples of musical instruments and products (many in vintage store settings), you'll hear great tunes in audio and video clips, and you'll have many hands-on opportunities to pick up and play a variety of instruments.

And much more.

It's an insider's view of the world of making music—and it's all here at the Museum of Making Music!

So don't miss a beat! Visit the Museum of Making Music today and discover a world of music and music making.

Pato Banton & The Now Generation

June 24

Positive vibrations abound with a beat to keep you on your dancing feet, while Pato delivers a message that is food for the mind and soul. Many have considered his charismatic performance as live theatre where no show is alike and audience members become participants in the experience. Pato dialogues with the crowd on a range of topics including current day events and spiritual freedom while keeping the vibes upbeat and fun! Many have said that the positivity generated from the stage has changed their lives forever.

The Dustbowl Revival

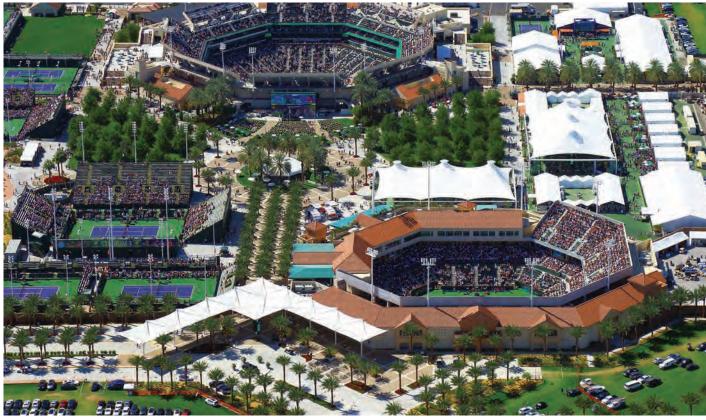

July 1

The Dustbowl Revival is what you could call an American roots orchestra with eight full-time members — and they play it all, mashing the sounds of traditional American music into a genre-hopping, time-bending dance party that coaxes new fire out of familiar coal. This isn't a throwback band. It's a celebration of the sounds that have kept America moving for more than a century, performed with all the flair of a medicine show and rooted in the sweat and swagger of a juke joint song swap.

The band is led by singer, guitarist and songwriter Santiago Orozco, a native of Colombia. Through music, Todo Mundo has learned to share their soul and experiences with the world. Their music and performances possess explosive energy that celebrates life, with the aim of connecting with people from all over the world, and encouraging them to live in the present, as one.

The Detroit Underground

Aug. 19

The Detroit Underground was established in 1994, and over the years the band has earned the reputation for being a hard-working, high-energy show band. The group features a very solid and funky rhythm section, a "smokin" horns section and topping it off are California's best male and female lead vocalists. These two high-powered singers will light up the stage and leave you singing their songs long after you leave the show. This powerful combination of dedicated musicians gives the band the ability to crank out tunes from artists such as Earth, Wind & Fire, Chaka Khan, and Stevie Wonder as well as great Motown hits and heart-felt ballads.

Concert Do's and Don'ts Guidelines & Helpful Hints

Arrive Early But Not Too Early A few thousand of your closest friends and neighbors will join you at each event. For safety during set-up, the concert sites on our ball fields open to the public at 4 p.m. (No picnic cloths, chairs or any other personal items will be allowed on the fields prior to that time!)

Park Smart or Ride Share All temporary parking signs will be enforced. Bring comfortable shoes and enjoy your walk to and from the park. Or, take a ride-sharing service like Lyft or Uber (mention "TGIF16" for discount!), and get to and from the park safely and easily. Free shuttle service is available at Alga Norte, Poinsettia and Calavera Hills. See page 17 for more details.

Keep a Low Profile Remember that everyone wants to see the performers, so please bring low chairs only. If you have a health requirement that dictates otherwise, be courteous and choose your seat location at the outer edge of the audience. Shade structures are allowed only along the back fences of the parks. Please do not use nails to secure any of your belongings in the grass.

Come Prepared Against Mosquitoes

Wear long pants and long sleeve shirts to cover your skin, and apply repellent containing DEET, Picaridin, Oil of Eucalyptus or IR3535 to clothes and skin.

No Pets. No Bikes. No Smoking/Vaping

Pets are not allowed within the concert venue. It's in the Municipal Code and will be enforced. Service animals are welcome at TGIF. The work or tasks performed by the service animal must be directly related to the guest's disability. Animals that solely provide emotional support or companionship to a guest will not be permitted inside the parks. Also, no bicycles, skates, skateboards or rollerblades. And if you want to smoke or vape, you will have to leave the park.

Watch Your Kids Children are welcome, but please keep a watchful eye on them at all times. Family Open Studios, our great

hands-on, art-making activity for children, takes place at all nine concerts. All artists must be accompanied by an adult.

Eat This year's on-site edible options are tasty, convenient, affordable and offer something for every palate! Our food vendors support TGIF with donations and a share of their earnings.

Drink City of Carlsbad law prohibits glass containers in all Carlsbad city parks. Realizing that TGIF picnickers traditionally bring glass beverage containers to the concerts, the city has issued a waiver of this regulation for TGIF concert events only. If you come across any broken glass, please alert the concert crew so we can take care of it right away.

Dance Keep in mind that our groups play music that people can dance to, and they certainly do! So if you want to avoid being jitterbugged on, set up your picnic away from the infield area.

Be Merry Please join us in thanking all the terrific staff – such as the crew, the Explorers and Senior Volunteer Patrol, the Parks & Recreation staff, the Carlsbad police officers directing traffic – who help make these concerts safe and enjoyable for everyone.

Recycle We're proud of the city's strong commitment to recycling and reducing

landfill waste. Please to separate your empty bottles and cans from the rest of your trash.

When the Music Stops Concerts end by 8:15 p.m., and everyone must exit the park by 9 p.m. We appreciate your cooperation on this matter. Please don't linger in the park; our crew needs to work in a safe environment to dismantle the stage and collect all the trash.

Prohibited Activities Carlsbad Municipal Code 11.32 defines unlawful acts in Carlsbad parks and beaches, including disturbances, sales, solicitation, pets and fires. During TGIF concerts, violations of the Municipal Code will be enforced. Important highlights include:

- Sales of any items (both for profit and non-profit) are not allowed without a valid permit issued by the City Council.
- Distribution or posting of any handbills, circulars or advertising devises is prohibited. Conduct or solicitation of any business is prohibited.
- Cooking with fire is limited to designated barbeque pits provided in the park.
 Personal barbeques are not permitted.
- Individual groups are not allowed to arrange for privately catered on-site food or beverage service within concert boundaries.
- Dogs are not allowed in city parks except licensed service dogs.
- Smoking/vaping is not allowed.

Souvenir Program Partners

We hope you will join us in thanking the many dedicated businesses and supporters who have created presentations for this souvenir program. (The entire list of names is on page 27.) When you visit their businesses – and we hope you do – please tell them how much you appreciate their support of these TGIF concerts. In addition, we are most grateful to PCH Litho, for printing support of the TGIF Concerts souvenir program.

Many thanks!

It takes the commitment and generosity of many people to produce the TGIF concerts and this accompanying souvenir program – and to make sure they both continue to be offered free to the community. We couldn't possibly do it without our generous donors and partners; a special note of thanks to them all.

Special Thanks

Amanda Ecoff, TGIF Partnership Director

Special thanks to you, the audience, for coming out, enjoying yourselves, supporting these exceptional concerts and celebrating 31 years of great music in Carlsbad. As you can see, TGIF Concerts in the Parks has a tremendous number of supporters, friends and vendors. And this isn't the complete list! By the end of the summer we'll have even more people, businesses and organizations deserving our gratitude. We couldn't present the TGIF season without these essential community partnerships, and we've made every effort to be as inclusive and accurate as possible. If you feel there is an error or omission, please contact Megan Gilby at 760-602-2081.

Please contact Amanda Ecoff, TGIF partnership director, at TGIFAmandaE@gmail.com if you would like to see your presentation in the 2017 Souvenir Program or would like to donate prizes to the concerts for next summer.

2016 TGIF Opportunity Drawings

A very special "THANK YOU" goes to the Carlsbad Friends of the Arts, the non-profit, community-based volunteer organization dedicated to supporting the programs and activities of the city's Cultural Arts Office, for organizing and conducting the opportunity drawings at the concerts. These drawings, along with the sponsorships in this program, are the principal vehicle used by the Friends to raise funds that help make TGIF and many other Cultural Arts Office programs possible.

We also want to thank the many generous businesses and individuals who have donated prizes to the Friends. Without prizes, there would be no opportunity drawings! When you shop or do business with these donors, please tell them how much you appreciate their generous and ongoing support, and use the discounts they graciously offer specifically for you, our concert attendees. Our opportunity drawing

donors and souvenir program presenters are true community partners – and we cannot thank them enough.
